

Richpeace[®]

Richpeace Computerized Multi-color Double Roll Quilting and Embroidery Machine

RPQE-NM-SFE-424-305×1485-B-4ND(135)-VR2-DF-3P380

Features

1. Double rollers working for two pieces 1.6m-width fabric or leather quilting and embroidery, high efficiency and accuracy.
2. Four needles for multi colors products.
3. Max. Speed: 850rpm, working speed: 550-750 rpm.
4. Automatic head interval selection, for super big size designs.
5. Automatic thread trimming: color-changing or pattern jumping with automatic cutting, free of manual trimming.
6. Unique mist oiling system, lubricating the head and rotary hook components all-round, to prolong the machine lifespan.
7. Optional devices: sequin device, tracing cording device, for special embroidery effect.
8. Japan Koban jumbo rotary hook, bobbin capacity is 2.2times of the normal one, reduced the bobbin changing frequency and improved the production efficiency.
9. Main shaft and X/Y are full servo driving systems, matching for the high quality pattern stitching.
10. Bearing, lead screw, belt, switch, sensor, etc are from the global advanced brands, to ensure the high quality and stable performance and long lifespan.
11. Richpeace professional Q&E design software, powerful functions, easy to learn.

Application

High quality garment, car seat, foot pad, trunk and bags, etc.
